Subject: Zoning

Dear County Commissioners,

As pastor of Dayspring Church in Florence, I feel it necessary to add my objections to the proposed Zoning. Please do not implement this as it is. There are many aspects of this Zoning that are troubling.

For one example... Section 3.2: Use Standards--Subsection B:

Residential uses on letter B... Who came up with the distance of 500 feet on (ii)?

Also, on letter D... This regulation of so-called Adult Use commercial is wrong. Evidently, the Commissioners are all in agreement that Pornography Shops are welcome in Ravalli County.

I must let you know that there is a rather large groundswell of opposition to this major Zoning upheaval that you Commissioners are forcing upon everyone. I really think you need to re-examine the protests. To enforce the many regulations in the Zoning will require you to hire new people to enforce the new Zoning. ----- The problem is this-- a couple years ago I was accosted in Florence just before a service on Sunday. We called 911 for assistance. The officer on duty took 45 minutes to arrive!!! DON'T YOU THINK that money should first of all go into the Sheriff's department before the County goes about regulating private property?

Sincerely yours, Gregory Ammondson
